

Excellent opportunity to acquire a 2015 DMG Mori Seiki NT 6600 Turn-mill Center which was bought in 2016 in Singapore and only used for prototype. The machine has been dismantled, vacuum wrapped, packed in crates and kept indoors since the beginning of 2017.

Viewing is available upon appointment.

The machine will be sold “As is, where is” with no warranty or guaranty. Buyer is responsible for all drain of oil, re-packing, rigging, trucking and shipping costs. Buyer needs to apply METI approval before the machine can be removed. Buyer will be responsible for all export/import related costs by themselves.

2015 DMG Mori Seiki NT 6600 Turn-mill Centre

Location: Singapore

Terms: As is, where is, 100% payment in USD through wire transfer prior to removal
